## Program Book Salute Pages

The salute page is the visual evidence of the support of the community for a Miss Kansas Organization (MKO) titleholder. These sponsors are giving their money, time and/or talents to help their representative in her quest to win the Miss Kansas or Miss Kansas' Outstanding Teen title. The salute page is another way to showcase the titleholder to the rest of the state.

Here's how it works:

- Titleholders sell salute page sponsorship ads, in return a photo page layout is printed in the Miss Kansas Program Book.
- Ads can be sold one per page or several ads per page, however desired. Potential sponsors can be as varied as the imagination. Sell them to local businesses, personal sponsors, employers, family, friends...you name it. The format is almost limitless. One of the most popular is the signature and best wishes page.
- Each salute page size is 8 1/2 X 11 and a BLACK AND WHITE page.
- Titleholders must submit **FULL** pages to Marisa Gwinn. **Partial pages** will not be accepted. Pages must be received in PDF format.
- The MKO is not responsible for collecting money from the page sponsors
